

# How to attend a Microsoft Teams Live Event

## PC / Mac

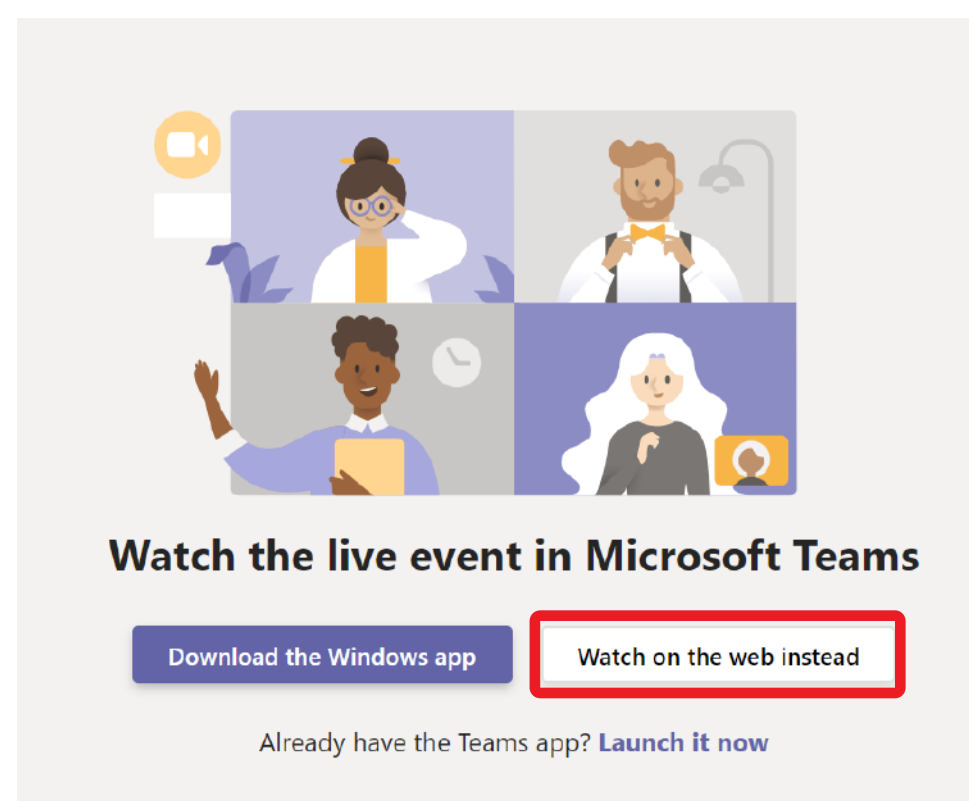

Click the following button in the menu.

### STEP 1

● [RACC 12 Live Session](#)

Click "Watch on the web instead" when your web browser starts.

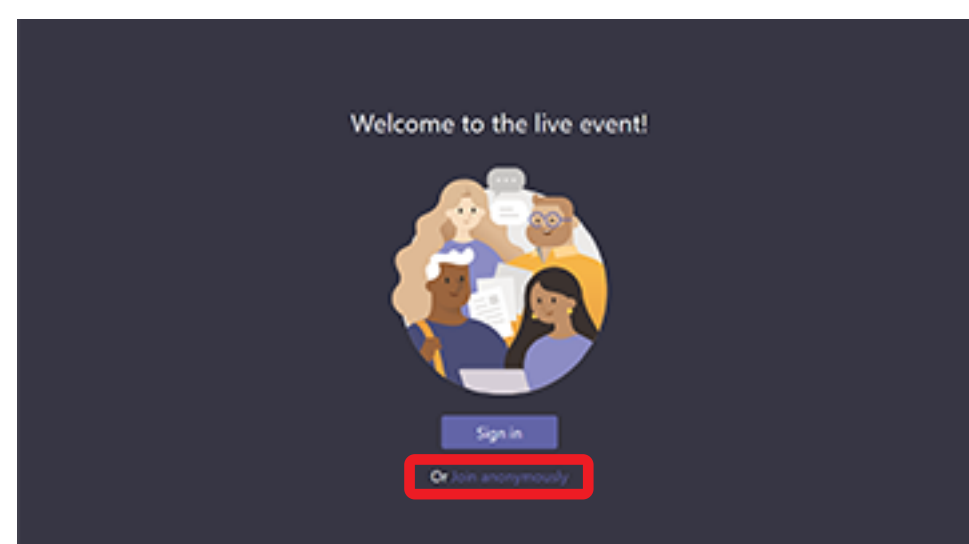

### STEP 2

If you have the Teams app, just click "Launch it now"

Click "Join anonymously" at the "Welcome to the live event!" page.

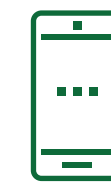

### STEP 3

Now you can watch the live event. Please wait for the live event to start.

### STEP 4

The live event hasn't started

## Smartphone

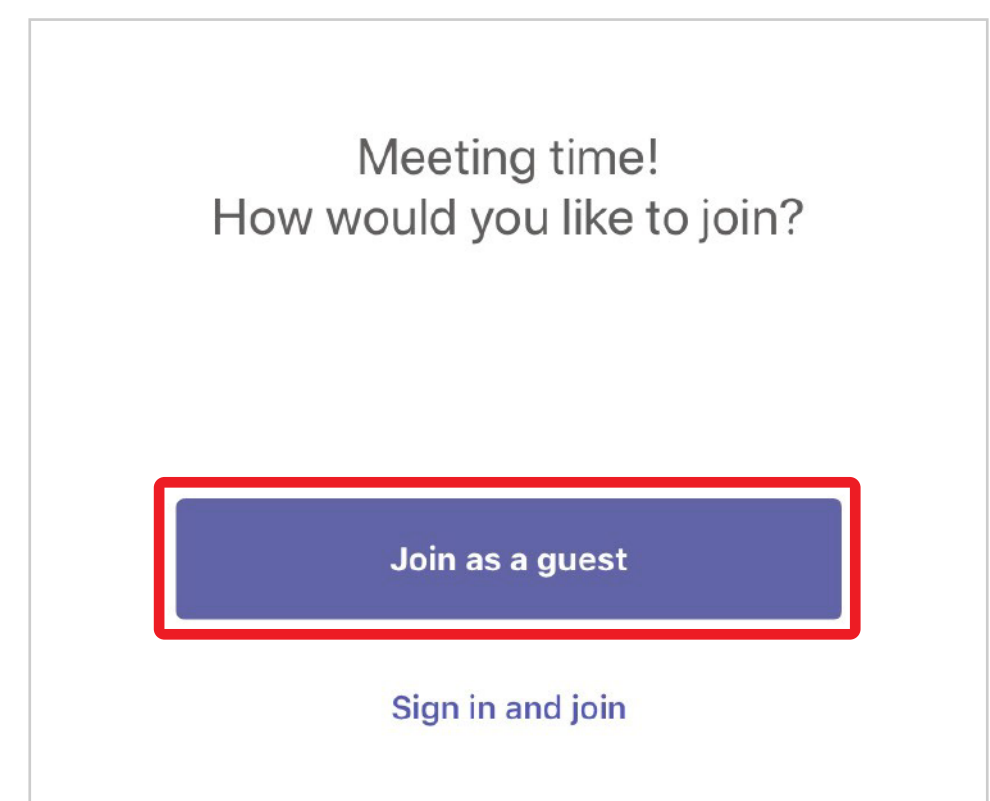

Click the following button in the menu.

### STEP 1

● [RACC 12 Live Session](#)

Tap "Join as a guest".

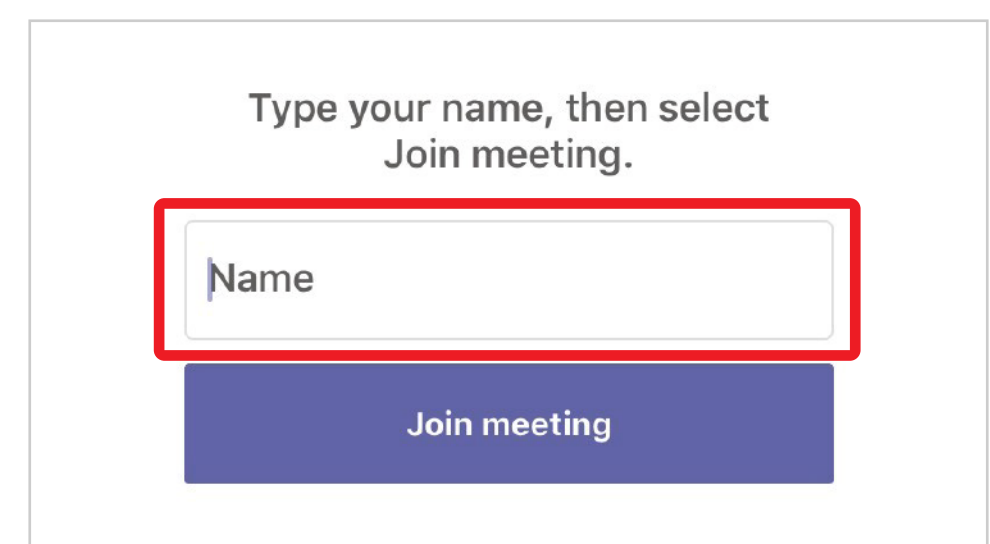

### STEP 2

If you have already used the Teams app, you can view the session while you are signed in.

Please enter your name and tap "Join meeting"

### STEP 3

Now you can watch the live event. Please wait for the live event to start.

### STEP 4

The live event has not started
